The Secretary to the Government of
His Highness the Maharaja of Mysore,
~~Commercial~~ *Revenue Department, Bangalore*

SIR,

I have the honor to submit herewith, for the information and orders of Government, copy of resolution of the Committee to devise convenience for travellers and visitors, dated the 24th March 1916 recommending the ammendment of Section 48 (1) (c) of the Municipal Regulation to enable the Municipal Council to remedy the existing defects in the condition of Indian hotels and eating houses in the Bangalore City

2. Information collected from some of the leading Municipal corporations in India shows that the system of hotel-keepers taking out licenses prevails in all the large Municipalities in India. Unless the City Municipal Council is similarly empowered to insist on the proprietors of eating houses taking out licenses any effective control over these important features of every large City cannot be properly exercised.

GPB—20,VD—25-9-15

The Municipal Council have realised that however rigorously the existing bye-laws may be worked, a satisfactory state of things is unattainable unless the license systems were introduced

4 I beg also to invite attention to my letter No 116 of 3rd/10th October 1913 on the same subject, on which no orders have yet been passed

3 Health Officer's memo No 1656 dated the 11th March 1916, forwarding a list of Hotels and Eating houses with particulars of the locality etc as called for by the Committee on the 7th October 1915

Resolution - The Committee feels that no great improvement is feasible unless the Section 48 (1) (c) is so ammended as to entitle the Municipal Council enjoining the taking out of licenses by the Vendors concerned This obtains in all the larger Municipalities in India and the time seems to have arrived when Government may be moved to make suitable ammendment to the Regulation in this respect
